MCO2021 – Reef

Candice Olson Couture

With slight texture and simplicity of design, this versatile pattern easily passes for textile. It appears to be woven, with random faux slubs adding to the realistic look of cloth. The understated design makes it suitable for virtually any decor and the array of thirteen colors offers a grand selection of neutrals from dark to light, plus teal or aqua. Made of slightly textured vinyl, rest assured this wallcovering is long-lived and washable, with beauty retention.
