MDV2024 – Slate

Duratec

MDC is pleased to introduce Duratec, our breakthrough concept in highly durable wall protection. Conceptualized for the wall but built with the performance standards of a floor covering, Duratec is skillfully engineered to protect against collision impact, abrasions, stains, scratches and more. Perfect for areas that endure heavier day-to-day traffic, Duratec is highly cleanable and is built to resist alcohol, ammonia, full strength bleach and simple soap and water. Available in 7 patterns and 9 broad color options, there is a Duratec style for any space.

Specifications

Width 50-52"

Thickness .035"

Weight (oz/lyd) 38

Backing Poly-cotton drill

Abrasion Resistance Less than .05% (wt. loss %)

Pattern Match Random reversible

Fire Rating Class A

Tensile Strength 200x118 (MD x CD)

Tear Strength 3200/3200 (MD x CD)

Impact Resistance 135 (lbs/ft)
