MHE11106 – Regina Mirror

Our Regina mirror features an elegantly ornate open-work frame. The frame itself is fashioned in the Venetian style of an ornate scrolling design which we accentuated by finishing it with mirrored glass. Each piece of the frame is beautifully etched. It is a perfect focal point for an entryway, bathroom, bedroom or any room in your home. D-rings are affixed to the back of the mirror so it is ready to hang right out of the box! The each mirrored section on this piece has a bevel adding to its beauty and style.
