MHE11140 – Square Mirrored Display Platforms - set of 3

These square mirrored display platforms will give a unique way to display those special treasures. Each visible side of the platforms are mirrored accented with a small bevel making for the most dazzling reflections of light. The set includes 3 sizes. Use them alone or stack together to make a taller platform. Beautifully accent a table display by placing candles or similar on the platforms, or add height to a bowl or shorter decorative piece.
