

Mirrors

MHE11281 – Trellis Mirror

The intricate lattice patterns of Arbor structures of a local English garden started me thinking of how we could recreate that pattern in mirrors and home decor. Our Trellis mirror features a curved outer iron frame that gives it depth and dimension in a bright silver finish.

Specifications

Height 32H

Material Iron

Width 24W

Shape Rectangle

Weight 13

Finish Polished

Package Dimensions 36 x 28 x 5
