Accessories MHE12341 – Abstract Elm Tall Vase in White

Accessories

This unique vase showcases a stunning matte white finish that exudes modern sophistication. What truly sets it apart is the meticulous carvings, which replicate the intricate texture of elm tree bark. This harmonious blend of natural inspiration and geometric precision results in a captivating vase that stands as a work of art. This vase is a testament to the marriage of craftsmanship and nature's beauty. Whether styled as a set or individually this vase is a must-have for discerning decorators.
