MHE130007 – Makrana Gray Marble Chain

Areas of India are well known for their mining of marble, one such area is Makrana. Here is where we can find the sleek cool gray marble that was used to create our Makrana Chain. After large sections of this marble is cut, it is then brought to the local craftsmen who then precisely calculate how to cut this down into smaller raw pieces that will then later be used to create these fabulous works of all sizes and shapes.
