MHE150001 – Annular Console Table

Accent Furniture

The beautiful contrast of two finishes in dark ebony and brushed brass come to life in this stylish sleek console table. The slightly textured wood of the top and bottom are expertly crafted and stained by hand in a rich ebony color. The accent of the brushed brass metallic center circle is balanced perfectly to create not just a piece of furniture but a piece of art. From the most traditional of home decors to the most minimalist of modern living environments, the annular table sets the perfect stage.
