MHE150017 – Rectangular Scalloped Riviera Tray - Blue

Part of our summers were spent in the coastal city of Nice on the beloved French Riviera. Each day as spent dinning al fresco at the most enchanting small bistro's along the Rue Massena. The bright colored awnings with their scalloped front edges became the inspiration for our rectangular lacquered Riviera scalloped tray in a stunning Azure Blue. This double handled wooden tray is hand crafted and finished by skilled artisans. Each tray will become not only your favorite accessory for the summer but year round as they add that pop of color to any occasion.
