Mirrors

MHE170023 – Van Buren Capsule Mirror

The newest addition to the Van Buren collection is the capsule mirror. It features a beautiful stainless steel frame in a brushed black finish. The new ultra thin frame profile allows for the maximum amount of viewing surface in this capsule as well as all the Van Buren collection. We truly believe that this capsule, as well as the rest of the Van Buren collection, will become anyone's staple mirror to install over a vanity or in any room of the home.
