MHE190019 – Modernist Aluminum Sculpture in Aged Bronze

This statue, comprised of three stacked faux logs, serves as a symbol of comfort, hearth, and the enduring allure of a crackling fire. Whether displayed as a decorative accent in your living room, fireplace mantle, or any space where you seek to infuse a sense of coziness and rustic charm. This statue becomes a tribute to the simple pleasures of life. It's more than just a statue; it's a reflection of your appreciation for the beauty of nature and the artistry of craftsmanship, enriching your decor with a touch of timeless warmth and serenity.
