MHE190024 – Mies Black Marble Monolith Clock

The clock features a sleek, faceless black marble rectangular frame, evoking a sense of modern sophistication. Flowing through the dark marble are subtle veins of white, creating a sense of movement and depth that adds a touch of artistic flair. Against this elegant backdrop, gold hands sweep across the clock's surface, offering a luxurious contrast and ensuring precise timekeeping. This clock is more than just a timekeeping device; it's a statement of refined taste and timeless design. Whether gracing your office, living room, or any space in need of a touch of understated luxury this clock transforms your wall into a canvas of contemporary elegance, where form and function merge seamlessly in a symphony of style and grace.
