MHE190025 – Balance of Mies Black Marble and Stainless Steel Clock

This round clock features a lustrous black, grey, and white marble face, creating a captivating backdrop that blends classic elegance with contemporary flair. Encircling the clock is a large, gold frame, its unique paperclip-inspired shape offering a distinctive and modern touch. The round clock face sits at the bottom of this frame, while the remaining gold frame seems to float above it, adding depth and intrigue to the design. With sleek gold hands that sweep across the surface, this clock becomes a masterpiece that transcends mere functionality, inviting you to appreciate the harmonious blend of materials and aesthetics.
