MHE190026 – Herbert Handled Table Clock in Polished Nickel

Add a touch of Art Deco with a statement piece that transcends timekeeping to become a work of art in its own right. The square clock is available in a polished gold or polished silver finish. It features a textured metal surround that exudes the essence of Art Deco design, capturing the spirit of the era's opulence and geometric elegance. The unique clock face, with its intricate details and distinctive style, becomes a conversation starter and a focal point in any room. The addition of a handle lends an extra touch of functionality and portability, making it a versatile piece for various settings.
