Accessories

MHE190034 – Italo Short Antique Brass Candle Holder with Handle

Illuminate your space with a touch of vintage-inspired elegance and modern flair using our Italo Candle Holder. This piece is designed to hold tapered candles. Crafted in a brassy gold color, these candle holders beautifully blend the charm of antique aesthetics with contemporary design elements. The unique feature of these candle holders is the small side holder, adding a functional twist to their design. Whether you're creating an intimate ambiance with votive candles or embracing the timeless charm of tapers, these candle holders offer versatility and sophistication.
