

Mirrors

MHE19140 – Boulon Round Mirror

One of the characteristics of an Industrial styled mirror is the unique use of materials that make up its design. In this case, the Boulon Mirror uses narrow springs equally spaced around a round iron frame to define its look. A bright silver finish highlights the industrial look. Keyhole attachments are affixed to the back of the mirror so it is ready to hang right out of the box!

Specifications

Height 35.5H
