Mirrors

MHE2140 – Cartier Mirror

The Cartier Mirror features a round frame that is characterized by rows of wavy bars. The ripple effect that it creates gives the appearance of a basket weave design. The frame is then finished in a champagne silver. The Cartier Mirror is a perfect accent piece for an entryway, bathroom, bedroom or any room in your home. D-rings are affixed to the back of the mirror so it is ready to hang right out of the box! The mirrored glass on this piece has a bevel adding to its beauty and style.
