Mirrors

MHE230011 – Golden Klimt Oval Mirror

Named for the artist Gustav Klimt that was bet known for his incredible works with gold leafing and his original oil paintings. Our Golden Klimt oval mirror shines as bright as Klimt's originals. The oval mirror is framed in a uniquely asymmetrical shaped frame, that will definitely set the stage for a traditional or modern decor. The frame is crafted out of a wood composite and each small sheet of gold leafing is applied by hand for a spectacular overall finish. Whether placed over a vanity or within your homes entryway, this mirror will deliver high design in any location with in the home for sure.
