MHE25178 – Elias Horn Tiled Tray

The Elias collection features inlaid brown and black colored horn from the Asiatic buffaloes. The rich color tones varying from cream to beige to rich dark ebony truly makes these pieces standout. The tray is rimmed in a glossy black and features handles cut into the body. Each design is handmade by local craftsmen who cut, sand, and polish each piece of horn to be expertly applied to the base. Because they are made by hand, each piece is unique and no two will be exactly alike.
