MHE25182 – Julianna Rectangular Mother of Pearl Low Box

The Juianna collection of inlaid mother of pearl shell and gray bone brings a slight modern twist to this old world craft. The opalescent tones of the shell compliments the rich polish of the gray horn tiles. Each design is handmade by local craftsmen who cut, sand, and polish each piece of horn to be expertly applied to the base. Because they are made by hand, each piece is unique and no two will be exactly alike. Interior of the box is finished in a gray lacquer. Also available in a square shaped box.
