Accent Furniture

MHE27031 – Van Berkel Side Table

The hexapod design for the Van Berkel side table started out as a study of how to combine different materials into one stunningly created table. The six iron legged base finished in matte gold becomes the perfect contrast to the polished white marble framed in walnut stained mango wood top. This handsome combination of finishes and materials come together to create a new classic that works in traditional as well as contemporary lifestyles.
