

Mirrors

MHE29002 – Leopold Mirror

Our Leopold Mirror is a gorgeous piece. It is a rectangular mirror with angled corners that gracefully form an elongated octagonal shape. The frame is then trimmed in antiqued gold. The end result is a striking piece perfect (but not limited to) for your Modern, Art Deco, or Traditional look. It is a perfect focal point for an entryway, bathroom, bedroom or any room in your home. D-rings are affixed to the back of the mirror so it is ready to hang right out of the box in either a vertical or horizontal orientation.
