Accessories

MHE34266 – Radiant Blue Short Ceramic Vase

Elevate your decor with a striking fusion of form and color that adds a vibrant touch to any space. This versatile vase allows you to customize your display according to your design vision. Its bold, bright blue hue radiates energy and vitality, making it a captivating centerpiece or accent piece. The ribbed detailing, thoughtfully carved into the surface, introduces texture and depth to the vase, creating an engaging visual and tactile experience.
