MHE34268 – White Side of Moon Vase

Embrace the allure of minimalistic elegance with a captivating piece that seamlessly blends form and function. This round vase boasts a pristine matte white finish that exudes timeless sophistication, making it a versatile addition to any decor style. What sets it apart is the carefully crafted variety of holes in the middle, creating a unique, artistic focal point that allows for creative floral arrangements or simply serves as a sculptural centerpiece on its own. The delicate etchings adorning the edges add a touch of intricate detailing, elevating the vase's design to new heights of refinement. Whether it graces your dining table, mantle, or any corner of your living space this vase invites a sense of understated beauty and artistry into your home, proving that sometimes, the simplest designs leave the most lasting impressions.
