Accessories

MHE35041 – Graphite Chiseled Metal Vase

This metal vase features a tapered, triangular shape. It is characterized by a chiseled texture etched into the metal. It is then finished in a raw graphite gray finish. The chiseled texture which captures the light creating an interesting striped effect. From Contemporary, to Art Deco; from Transitional to a Scandinavian look, plus everything in between this piece is sure to fit right into your decor. This vase is a perfect accent piece for console tables, book shelves, entryways or any room in your home. Pair with the smaller, silver vase for a complete look.
