### MHE35280 – Circlet Tapered Vase Medium

#### Accessories

The Circlet collection was inspired by medieval crowns worn by nobility and royals of the time. Each piece was created by forging consecutive rings of metal together in a band. This pattern has been recreated and embossed into aluminum sheeting. Using the embossed aluminum sheeting, craftsmen cut and forge vessels of various sizes and shapes. One such vessel is our medium tapered vase, which is highlighted in a deep aged gold finish. This collection has a rustic charm, that can work as easily into a casual country setting as it can in an urban industrial lifestyle.
