MHE35323 – Hammered Em Dash 3 Tiered Service Tray

The Em Dash Collection is hand crafted and finished by expert artisans. The simple modern dash pattern also creates a hammered effect on the inside, that adds to the beauty of the design. Finished in a matte black or bright silver, each piece can easily stand alone as a decorative accent or grouped together to show the contrast of dark and light elements. The three tiered service tray can be used as a centerpiece for special occasions or everyday to showcase a collection of keepsakes.
