### MHE35331 – Hammered Em Dash Covered Urn, Large Accessories

The Em Dash Collection is hand crafted and finished by expert artisans. The simple modern dash pattern also creates a hammered pattern on the inside, that adds to the versatility and beauty of these designs. Finished in a matte black or bright silver, each piece can easily stand alone as a decorative accent or grouped together to show the contrast of dark and light elements. The large covered urn features a modern twist to a classic design that will add a little charm to a shelf of table.
