MHE35344 – Golden Thread Large Cask Vase

This vase boasts a matte black exterior with delicate light golden etchings adorning its surface, intricately woven like threads, creating a mesmerizing visual effect. These golden threads not only add depth and texture but also a touch of opulence to the vase's minimalist form. Whether displayed as a solo statement piece or paired with others in the collection to create a harmonious ensemble, this vase invites you to explore the play of light and shadow.
