## MHE41038 – Asymmetrical Contemporary Aluminum Bowl

## Accessories

This contemporary bowl is a play on abstract, deconstructed design. Fashioned from aluminum, it has smooth cracked edges that create design features that make for a dramatic statement for your style. The metallic nickel finish is accented with a matte black interior that makes the entire piece the perfect finishing touch for your decor. Pair with the coordinating pieces in the collection for a complete look. Opening is 13.1/4 x 7
