Accessories

MHE41089 – Bronze Euler Drop Vase with Black Iron Stand- Large

Expertly inset into a sleek flat black iron stand that seamlessly marries form and function. The bronze glass finish exudes a rich and timeless allure, while the inset design adds an element of modernity and sophistication. Resting upon the sturdy flat black iron stand, this vase becomes an elegant centerpiece that effortlessly commands attention. Whether gracing a minimalist entryway or paired with others in the collection to provide a touch of industrial-chic flair to your living room, this collection embodies the perfect fusion of classical beauty and contemporary design.
