MHE44053 – Grasberg Glass Vase- Short

Our Grasberg Glass Vase in white with vibrant orange accents is a dazzling expression of contemporary design and artistic flair. The crisp white base of the vase provides a clean canvas for the bold and lively orange accents that dance across their surfaces, adding an electrifying pop of color to any space. Whether gracing your dining table, mantel, or as a centerpiece in your living room, this vase is a testament to the power of color and form.
