Accent Furniture

MHE48016 – Stainless Steel Pedestal with Black Tempered Glass

This sleek pedestal features a stainless steel bar frame. Each leg is accented with a circular detail and affixed in the center of each is a clear, round acrylic ball. The top and bottom surfaces are a black tempered glass. The simple design of this table lends itself to any decor style. Add it to your entryway, hallway, living room or any place you need a table! Additional sizes are available.
