MHE48158 – Gatsby Mirror

The Gatsby mirror is a harmonious blend of contrasting elements, masterfully brought together to create a striking visual impact. Resting gracefully upon a sleek black marble stand, the mirror is securely held in place, exuding a sense of poise and stability. As your gaze ascends along the vertical stand, you'll notice the addition of stainless steel accents, seamlessly connecting the rich black marble and the lustrous metal frame. This thoughtful incorporation of stainless steel not only adds a touch of modernity but also enhances the overall aesthetic cohesion of the mirror.
