Mirrors

The Wilde Mirror has a commanding presence. It features a large, oversized rectangular frame that is finished in a black faux leather with ostrich skin texture. Instantly make any room larger simply by adding this mirror to it. This simple yet stunning piece would be a great addition to any room. It will make quite a statement with its 84height. While the Wilde Mirror is the perfect floor mirror, it also comes with D rings so it is ready to hang right out of the box. Since it is such a large piece, we recommend professional assistance when hanging this mirror. It also comes with security hardware to affix to the wall when using as a floor mirror.
