MHE55004 – Marius Round Mirror

Artisans work with a wide range of materials. Metals, being one such material, has become a much sought after component to everything from accent furniture to wall decor. The rough abstract nature of the Marius collection allows the mirror to become more than just a mirror, but a work of art. The round metal frame features an acid washed finish with a torn edge effect. D-rings are affixed to the back of the frame so it is ready to hang right out of the box.
