Mirrors

MHE56017 – Fenetre Mirror

The Fenetre Mirror is a great piece because it resembles an arched window; complete with sectioned window panes. The wood frame is finished in a taupe lacquer that has distressed accents making it perfectly fit into your Shabby Chic or Cottage-esque decor. It is a perfect focal point for an entryway, bathroom, bedroom or any room in your home. D-rings are affixed to the back of the mirror so it is ready to hang right out of the box! The mirrored glass on this piece is NOT beveled.
