MHE56048N – Roman Mirror - Glossy Nickel

Our Roman Mirror is a lovely piece of pure simplicity. The rectangular frame is arched with ornamental adornments at the top and bottom, giving the piece a neo classical look. It is then finished in a glossy nickel lacquer. It is a perfect focal point for an entryway, bathroom, bedroom or any room in your home. D-rings are affixed to the back of the mirror so it is ready to hang right out of the box! The mirrored glass on this piece is NOT beveled. The Roman Mirror is part of our custom paint program and is available in one of fourteen vivid colors. It is proudly painted in the USA.
