MHE56102 – Rex Mirror

The Rex Mirror is a small mirror, but big on style. It features a concave round frame with grooved edges. It is finished in a matte black and bordered with a mottled gold leaf inset. What really makes this piece remarkable is the convex mirror which makes for the most interesting reflections. On its own or in multiples, the Rex Mirror is a perfect accent piece for an entryway, bathroom, bedroom or any room in your home. D-rings are affixed to the back of the mirror so it is ready to hang right out of the box!
