Accent Furniture

MHE58022 – Clare Side Table

The distinct design of our Clare Side Table is clear! It features mixed materials combining them to create this stunning collection of tables. Thick, 1.3/4 acrylic legs provide the sturdy base for a polished stainless steel frame which houses thick tempered glass surfaces. The collection also includes a console, pedestal and coffee table, sold separately. Pair them together to complete the look. Coordinating Clare Mirrors are also available.
