MHE60043 – Magnolia Flower Wood Wall Art

For centuries the art of creating small and large curio boxes of intriguing objects have been practiced. The translation of these curio boxes have now been raised to a new art form and are important elements in a room's design. This particular box features a large gray Magnolia Flower in a black wood shadow box frame. D-rings are affixed to the back of the frame so it is ready to hang right out of the box.
