Card games are a popular as ever. On our 5 Straight Wall Art, playing cards are repurposed into a unique work of art. Each card is folded and woven, origami style, to create movement and depth on a canvas base. The entire piece is placed in a clear acrylic case. Great for a game room, man cave or den! Also available in a royal flush! D-rings are affixed to the back of the mirror so it is ready to hang right out of the box.
