Mirrors

MHE71002 – Brando Mirror

Our Brando Mirror is a simple piece. It features a simple round frame that is deep like a shadowbox and finished in a glossy black lacquer. The front edge of the frame is finished in a gold leaf. This effect is interesting because when you look at the mirror from the front, it looks gold. But when you look at it from the side, you see its glossy black finish. The Brando Mirror is a perfect focal point for an entryway, bathroom, bedroom or any room in your home. D-rings are affixed to the back of the mirror so it is ready to hang right out of the box! The mirrored glass on this piece is NOT beveled.
