MHE8015 – Raven Mirror

Industrial

Our Raven Mirror features intricate detailing of dimensional geometric shapes fashioned from iron into a hexagonal frame. The graphite finish blends to create this unique, industrial look. This collection is so versatile that many of our accent tables and decorative accessories can easily be paired up to make a statement. Keyhole slots are manufactured into the back of the mirror so the piece is ready to hang right out of the box in either a square or diamond orientation.
