MHE8032 – Felicity Square Mirror

Industrial

Sleek & sophisticated, the Felicity Mirror features intricate geometric patterns which define its elegant style. It features a square wood frame of circular overlays finished in a hand applied gold leaf with a soft black patina. They work well on their own or in groupings on the wall. "D" rings are affixed to the back of the mirror so it is ready to hang right out of the box in either a horizontal or vertical orientation. Also available in a rectangular shape
