## MHE8041 - Pamela Mirror <br> Industrial

Our Pamela Mirror is a gorgeous piece fashioned from wood into a large rectangular frame. The frame is detailed with rows of small brass rivets. It is then finished in a gorgeous French brown and distressed with antique rust highlights. The mirror is beveled adding to its style and beauty. It is a perfect focal point for an entryway, bathroom, bedroom or any room in your home. D-rings are affixed to the back of the mirror so it is ready to hang right out of the box! The Pamela Mirror can be hung in a horizontal or vertical orientation. And its large size also makes it a perfect floor mirror.
