Mirrors

MHE8045 – Garrett Mirror

This oversized floor mirror makes a stately appearance with a large rectangular glass with a reclaimed oak wood planks at the top and bottom with wrought iron bolt accents. The mirror comes with D-rings affixed to the back of the frame so you can hang it right on your wall straight out of the box. However, if you prefer it as a floor mirror, it also comes with security hardware to safely lean against your wall. Make any room brighter or appear larger simply by adding the Garrett Mirror to the mix.
