MHE8085 – Lenox Mirror

Our Lenox Mirror features a rectangular frame of beveled mirrored bands that step inward and produce the most amazing reflections of light and color. The glass mirror is beveled for added style. It is a perfect focal point for an entryway, bathroom, bedroom or any room in your home. D-rings are affixed to the back of the mirror so it is ready to hang right out of the box in either a horizontal or vertical orientation!
