MHE8090 – Crawford Mirror

Our Crawford Mirror is a stunning piece. Deep mirrored octagons are arranged in an offset tile pattern creating a work of functional art. Each mirrored octagon has a mirrored frame. All these mirrors make for the most amazing reflections of light and color. This stunning piece would be a great addition to any room. Alone or in multiples, it is a perfect focal point for an entryway, bathroom, bedroom or any room in your home. Even though it is large enough to be a floor mirror, D-rings are affixed to the back of the mirror so it is ready to hang right out of the box in either a vertical or horizontal orientation!
