MHE8147 – Memphis Mirror

Contemporary

Our Memphis Mirror is a striking piece featuring an oval frame characterized by a wrinkled ripple texture. The texture and movement of the piece is exaggerated by its bright nickel plating applied with an electrostatic technique. It is a perfect focal point for an entryway, bathroom, bedroom or any room in your home. D-rings are affixed to the back of the mirror so it is ready to hang right out of the box! The mirrored glass on this piece is NOT beveled. Also available in a round shape.
